

# Chennuri Swajith kumar

---

## Objective:

I am a under graduating student with a passion for full stack web development, my objective is to secure a role in a company that values innovation, creativity, and teamwork, and where I can continue to learn and grow as a developer

## Experience

**01-7-23 to 30-7-23**

Virtual internship • web developer intern **at** code alpha

As a virtual web developer at Code Alpha, my key responsibilities included designing and implementing innovative full-stack web solutions, while my most stellar accomplishment was spearheading the successful launch of a task given to me with seamless user experience and robust functionality.
